MEMORANDUM FOR THE RECORD

SUBJECT : Concurrence in Contract No. NY-B-5111G with the Baird-Atomic, Inc., Cambridge, Mass. Project CHALICE (NAVY)

25X1A

1. This memorandum contains a recommendation submitted for approval of the Special Assistant to the Director for Planning and Development. Such recommendation is set forth in Paragraph 5.
2. Contract No. NY-B-5111G has been drawn on behalf of the Navy to procure the repair of an Amplifier Box for the IR Unit which was damaged in an airplane accident. In addition, a Kit of spare parts necessary for a years support is being procured. The contract is being issued on a Straight Fixed Price basis with deliveries scheduled to be complete in March 1959.
3. Contract No. NY-B-5111G obligates \$11,989.33 chargeable during Fiscal Year 1959 to the Department of Navy Funds. By concurrence to this memorandum the comptroller signifies that sufficient funds are available for this additional obligation.
4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956, which in effect results in all 10(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 10(b) of Public Law 110, 81st Congress, for each contract.

SECRET

5. Approval of Contract No. NY-B-5111G and execution thereof on behalf of the Agency by the authorized Contracting Officer is recommended.
